

## Carmen Jones

A film by Otto Preminger

Starring Dorothy Dandridge and Harry Belafonte

This 1954 film by Otto Preminger (*Laura*, *Anatomy of a Murder*) was rightly hailed as a milestone in musical cinema. Dorothy Dandridge, whose vibrant performance resulted in the first Oscar® nomination for an African American actress in a leading role, lights up the screen as the beautiful temptress. On 26 September 2016, *Carmen Jones* will be released on Blu-ray for the first time in the UK as part of BLACK STAR, the BFI's blockbuster project of film and television screenings, special events, and DVD/Blu-ray/VoD releases, all dedicated to celebrating the range, versatility and power of black actors.

With an all-black cast, this critically acclaimed version of Bizet's opera *Carmen* features an iconic soundtrack from Oscar Hammerstein II, including songs such as 'Beat Out Dat Rhythm on a Drum', and was voluptuously shot in Cinemascope Technicolor.

In one of the sexiest performances ever seen on the big screen, *Carmen Jones* seduces the handsome GI Joe (Harry Belafonte) away from his sweetheart Cindy Lou (Olga James), but after she tires of him and takes up with heavyweight prize-fighter Husky Miller (Joe Adams), she only succeeds in triggering Joe's tragic revenge.
