Funday Wimpy Kid Workshop

Do you write your own diary? Do you think that you could make up a character to rival Greg Heffley and then bring them to life through a diary? What would their name be? What school would they go to? Who are their friends or arch-rivals? You are the master creator of your character's life, and get to make all the

decisions about who they are and what sort of adventures they go on. Draw us a picture of your character and you could be in with a chance of winning one of our coveted Funday prizes.

When Horrid Henry fails yet again to hand in his homework, he has no idea he'll set off a chain of events that'll see him in unlikely alliance with Moody Margaret, the infuriating girl next door, and his irritating brother Perfect Peter; outwitting corrupt school inspectors and toppling an evil headmaster; winning a talent contest and having to face his ultimate nemesis. And all because he's trying to save the very school he's always said he hated. After years of seeing Henry animated on TV, come and see him in live action on the big screen in 3D.
