

## Man with a Movie Camera

A film by Dziga Vertov

Music by Michael Nyman

Voted the greatest documentary of all time in the 2014 Sight & Sound poll, Dziga Vertov's groundbreaking *Man with a Movie Camera* uses an array of dazzling cinematic techniques to record the people of the city at work and at play, and the machines that keep the city going. Presented with Michael Nyman's celebrated score, this classic film is released by the BFI on 27 July 2015 in a Special Edition Blu-ray, accompanied by an exciting selection of new extras.

The acclaimed soundtrack composed by Michael Nyman is performed by the Michael Nyman Band.

Extras include Vertov's poetic propaganda film *Three Songs of Lenin* and two of his radical mid-1920s documentary films, both of which feature equally radical new soundtracks by electronic experimentalists **Mordant Music**.
