

The Otto Preminger Film Noir Collection

Limited Edition Blu-ray box
*Fallen Angel, Whirlpool,
Where the Sidewalk Ends*

Released on 28 September 2015, this Limited Edition box set brings together three of acclaimed director Otto Preminger's greatest films for the first time on Blu-ray. Presented with essential extras, including audio commentaries, these classic films deliver a unique combination of intrigue, moral ambiguity and stylish photography which truly define the influential *film noir* genre.

In *Fallen Angel*, Dana Andrews stars as a down-on-his-luck press agent turned amateur sleuth, investigating the murder of the sultry waitress, Stella (Linda Darnell). *Whirlpool* is a fascinating blend of *noir* and woman's picture, starring the beautiful Gene Tierney as a troubled socialite who falls prey to the machinations of a sinister hypnotist (José Ferrer). Whilst in the downbeat *Where the Sidewalk Ends*, Dana Andrews again stars as a tough cop whose brutal methods leave a trail of murder, deceit and cover-ups.

Special features
