

Stockholm My Love

A film by Mark Cousins

Starring Neneh Cherry

Dual Format Edition (DVD/Blu-ray release on 26 June 2017)

The latest film by celebrated auteur Mark Cousins (*I Am Belfast, The Story of Film*), *Stockholm My Love* follows the footsteps of Alva Achebe (Neneh Cherry), a Swedish architect fascinated by the way buildings influence lives but haunted by a tragic event from her past. After its BFI theatrical release in selected cinemas UK-wide on 16 June, *Stockholm My Love* will be released in a Dual Format Edition by the BFI on 26 June 2017.

Mark Cousins and award-winning cinematographer **Christopher Doyle** (best known for his work with Wong Kar-wai on *In the Mood for Love*) filmed on the streets of the Swedish capital to create a visually stunning work about loss and rejuvenation, which marks the acting debut of acclaimed musician and singer **Neneh Cherry**. The atmospheric soundtrack which follows Alva's path from grief to recovery, features five pieces of original music written specially for the film by Neneh Cherry with her husband, singer-songwriter-producer Cameron McVey (Massive Attack, Portishead), RocketNumberNine's Benjamin Page and Mark Cousins.

Special features
